

REPORT OF THE WORKS, WATER SUPPLY AND SEWERAGE COMMITTEE

(Dated 1st February, 1939)

to be presented to

THE MEETING OF THE COUNCIL

to be held on

TUESDAY, 7TH FEBRUARY, 1939.

Report, Works, Water Supply and Sewerage Committee, 1st
February, 1939: Presented to Council 7th February, 1939,
and adopted.

On Leave: Alderman W.J. Graham.

1. COMBINED DRAINS.

The following plans showing groups or blocks of allotments
should be drained in combination

Association, requesting permission to erect a Shelter Shed in Newmarket Road, near Sylvester Street, for the convenience of patrons of the Wilston-Valley 'bus service. The letter also contains a request that the Council contribute towards the cost of the erection of this shed. No objection is offered by your Committee to the erection of a shelter at the location mentioned, provided that the type and design thereof are first approved by the Council.

With regard to the request that the Council contribute towards the cost of the proposed shed, your Committee desires to point out that in dealing with similar previous applications the Council expressed the opinion that the erection of such a shed was a matter entirely for the 'bus proprietor concerned.

RECOMMENDATION: That the Association be advised in terms of the above.

12. RECTIFICATION OF DUPLICATE STREET NAMES.

Your Committee desires to report that to date, the renaming of 555 duplicated street names has been completed.

As arrangements associated with the purchasing of new plates and the affixing of same are well in hand, it now recommends that approval be given for all newly allotted names to take effect as from 1st March, 1939, and that the requisite public notifications, through the press, be given accordingly.

The work to date necessitates the purchasing and fixing of 738 new name plates, but no difficulty is anticipated in carrying through these arrangements.

Lists are being prepared containing full information concerning the changes made, which information will be distributed to Government departments, public utilities, and other organisations similarly affected by the changes.

RECOMMENDATION: That the newly allotted street names take effect as from 1st March, 1939.

13. APPLICATION FOR PERMISSION TO CONDUCT CAMEL RIDES ON SANDGATE FORESHORE.

This is an application by Basha Gool for permission to conduct the above form of amusement on the foreshore at Sandgate.

Similar applications have been granted by the Council in the past and your Committee can see no reason why the present application should not be granted.

RECOMMENDATION: That subject to the Council's Ordinances being complied with, a site on the foreshore, between the Flinders Parade Swimming Pool and the Viaduct, be made available for the above purpose at a rental of £1 per annum.

14. AUTHORITY TO PURCHASE ABRASION MACHINE FOR LABORATORY.

Authority is sought for the purchase of an Abrasion Machine for use in the Laboratory.

The purchase of this machine is primarily to test the wearing qualities and general suitability of various metals for road making. The "Los Angeles" Machine is the most modern and it has been found to be used.

WORKS, WATER SUPPLY AND SEWERAGE

DECISIONS arrived at by the Right Honourable the Lord Mayor on matters appertaining to the Works, Water Supply and Sewerage Committee, are as set out hereunder:-

1. PROPOSED BAILEY MEMORIAL AVENUE.

On 18th October, 1938, the Council approved of a scheme which provided for the beautification of that section of Eagle Farm Road between the Railway Crossing at Whinstanes and the Powder Magazine Reserve adjoining the Flying Boat Base at Pinkenba, and also for the re-naming of such section of roadway "Bailey Memorial Avenue".

The said section was 2 chains wide, and part of it had for some years past been fenced in and used by neighbouring farmers.

It was accordingly also decided that notices be served on all property owners and/or occupiers concerned calling upon them to remove and re-erect their fencing on the correct alignment.

Subsequent investigations revealed that the whole of the lands on the southern side of Eagle Farm Road were owned by the Crown and that the fences along the frontages between the Railway Crossing and Links Avenue had been set back to the correct alignment.

From Links Avenue to the Powder Magazine Reserve, however, the fences had not been set back and the following was a list of the names and addresses of the lessees of the respective properties between these points.

- (1) Portions 60/64.
Held under special lease by Gustav Bentel of Brightview, Via Lowood.

There was a substantial residence on the front part of portion 60, and crops on portions 61/64, which the fences were set back

STREET NAMES.

The following alterations of street names are recommended for the reasons stated against each name.

Ref. No.	Street and Location.	Area	New Name.
36 30 A	John Street, Buranda	Central	Deshon St. (Of which it is a continuation - from Leamington St.)
38 15 H	Middle Street, Indooroopilly	West	Allwood St. (After the renamed Short St. - of which it is a continuation)

3 19 S	Old Sandgate Rd. Nundah.	(North)	Bage St. (Queensland Educationist) The above two alterations are recommended in order to prevent confusion between two separated sections of Old Sandgate Road and New Sandgate Road.
7 12 V	Franz Road, Hendra.	North	Alexandra Rd. (Of which it is a continuation - between Bennison Road and Pinkenba Railway Line.)

6.

DECISION: (1) That subject to the deletion of the proposed new name of "Roseby Street" for Third Avenue, Kedron, the renaming of the above streets be approved.

(2) That First Avenue, Eagle Junction, be renamed "Roseby Avenue" (New South Wales Cleric),

(3) That Third Avenue, Kedron, be renamed "Erskine Avenue" (Aust. Commodore, 1838).

3. REQUEST FOR CONCRETE WATERCHANNELLING - KAURI ROAD,
ASHGROVE.

Consideration was given to a petition from residents of Ashgrove, requesting that waterchannelling be constructed in Kauri Road from Hibiscus Avenue to Girraween Grove, Ashgrove.

WORKS, WATER SUPPLY AND SEWERAGE.

DECISIONS arrived at by the Vice-Mayor on matters appertaining to the Works, Water Supply and Sewerage Committee, are as set out hereunder:

1078

Works, Water Supply and Sewerage Committee decisions made by the Vice Mayor on 20th and 21st December, 1938:
Presented to Council 7th February, 1939, and held over:
Again presented to Council 14th February, 1939, and ratified.

Kalinga drawing attention to the condition of the roadway in Emma Street, Kalinga, particularly that section between Shaw Road and Bertha Street, and requesting that repairs be effected thereto, and thereafter that it be bitumen surfaced.

In a report to the Town Clerk the General Manager, Works, Water Supply and Sewerage Department, advised that until such time as a bitumen surface could be applied to the abovementioned section of road repairs would from time to time be effected thereto.

No definite time could be stated when the bitumen surfacing of the roadway would be carried out.

DECISION: That the petitioners be advised accordingly.

In view of the low revenue return this extension was not recommended for approval.

DECISION: That the proposed extension be not approved.

4. RECTIFICATION OF DUPLICATE STREET NAMES.

The Town Clerk and the General Manager, Works, Water Supply and Sewerage Department, submitted a report covering a list of new names recommended for the undermentioned streets in which duplication had taken place to a considerable extent, namely:-

Alice Street	..	(17 times)
James Street	..	(16 times)
King Street	..	(14 times)
Queen Street	..	(14 times)
Creek Street	..	(14 times)

A recommendation was also submitted regarding adjustments of names for two streets.

The names proposed were in strict conformity with the formula already followed in connection with assigning new names to streets in the City.

An explanation of the derivation of each name was shown in the schedules.

WORKS, WATER SUPPLY AND SEWERAGE.

DECISIONS arrived at by the Right Honourable the Lord Mayor on matters appertaining to the Works, Water Supply and Sewerage Committee, are as set out hereunder:-

23rd December, 1938.

RE-NAMING OF OLD SANDGATE ROAD, CLAYFIELD.

Following on the decision of the Right Honourable the Lord Mayor, acting on the recommendation of the Town Clerk and the General Manager, Department of Works, Water Supply and Sewerage, that the section of Old Sandgate Road, Clayfield, between New Sandgate Road and the Railway Line, be re-named "Bonney Avenue", a petition was received from residents and ratepayers of that road protesting against such alteration and requesting that the original name be retained.

In support of the request it was pointed out that during the passage of years there had become associated with this road a reputation hardly excelled by any other locality in the City of Brisbane and it was therefore felt it would be unwise to change the nomenclature of a road so widely known.

The Town Clerk advised that prior to making their recommendation both he and the General Manager gave mature consideration to all the relevant facts and had been influenced by the fact that much confusion had in the past been occasioned persons unfamiliar with the locality.

In the circumstances they both felt that the re-naming of the roadway as "Bonney Avenue", which was in accordance with the formula adopted by the Council, was in the best interests of all concerned.

DECISION: That the previous decision be adhered to (i.e. That the Section of Old Sandgate Road above defined be renamed "Bonney Avenue").

4th January, 1939.

7. STREET NOMENCLATURE.

Following on representations by the Ward Alderman on behalf of residents of two streets - namely, Fleming Lane, Fairfield, and portion of Annerley Road, Dutton Park - requesting the re-naming thereof, the Town Clerk and the General Manager, Department of Works, Water Supply and Sewerage, submitted for the consideration of your Committee recommendations in the matter, which are in conformity with the formula already followed in connection with assigning new names to streets in the City area.

The recommendations for new names for these two streets are as follows:-

<u>Present Name and Location</u>	<u>Area</u>	<u>New Name</u>
Fleming Lane, Fairfield.	Southern	Aylesford Street (British Peer)
Annerley Road, Dutton Park.	Central	Maldon Street (British town)

The residents of Fleming Lane, Fairfield, which is practically fully occupied by residences, desire the designation "Lane" changed to "Street", and as there are already other Fleming Roads existing, a complete change of name has been suggested.

The residents of that portion of Annerley Road on the west side, from near Grantham Street to Gladstone Road, ask that this portion be given a new name as it is now separated from the Annerley Road proper by the triangular reserve.

RECOMMENDATION: That the recommendations for the re-naming of the abovementioned streets be adopted.

**8. REQUEST FOR CONSTRUCTION OF RETAINING WALL - CORNER
SECTION DRIVE - IRONSIDES.**

namely subdivisions 7-14 as shown on the original plan, in order that these allotments might be sold to provide sufficient finance for the completion of the necessary road works requested by the Council through the balance of the estate.

Approval of the proposal is recommended by the City Engineer, subject to the registered proprietor depositing with the Council the sum of £50 as a guarantee towards any road formation that may be required for that portion of the new road on the eastern boundary of sub. 14 to give access thereto, such sum to form part payment of the total cost of construction of the proposed two new roads.

RECOMMENDATION: That subject to the condition stipulated by the City Engineer being complied with, a Certificate of Approval for the above allotments be issued.

10. REQUEST FOR RE-NAMING OF PORTION OF ANN STREET, CITY.

A letter has been received from Mr. C.E. Parkinson, suggesting that whilst the rectification of duplicate street names is being undertaken by the Council, consideration be given to the question of shortening Ann Street, City, which at present is approximately 1½ miles in length, and re-naming that section of the roadway between Queen Street, Petrie's Bight, and Breakfast Creek Road, Newstead.

The request has been fully considered, and although realising that the suggestion put forward has much to commend it, in view of the fact that Ann Street has been so surveyed that it constitutes practically a straight thoroughfare between North Quay and Breakfast Creek Road, your Committee is unable to recommend the request for favourable consideration by the Council.

RECOMMENDATION: That no alteration in the street name be made.

11. RECTIFICATION OF DUPLICATE STREET NAMES.

Submitted hereunder for approval are further lists compiled by the Street Naming Sub-Committee setting out the recommended designations for streets throughout the City, formerly known as "Robert" Street (18 times) and "Hill" Street (19 times).

As requested by the Council further consideration has also been given to adjusting the names of certain streets contained in previous lists, and in this direction your Committee has now to report that the name of "Stopford" Street has been allocated to the road that was formerly designated "Hill" Street, Wooloowin. The status of this street is such as to worthily commemorate the memory of the late Hon. J. Stopford (formerly Home Secretary and later Minister for Mines in the Queensland Government). Although a suggestion was made by relatives of the late Mr. Stopford that Rose Street, Annerley - the location of his former residence - should be re-named "Stopford" Street, it was found that the plan of zoning would not permit of this being done with strict accuracy, hence the recommendation regarding Hill Street, Wooloowin. As "Stopford" Street was the name previously suggested for George Street, Albion, it is now recommended that this street be changed to "Anstey" Street (after the late Hon. Frank Anstey, at one time a Tasmanian M.L.C., and later a Member of the House of Representatives).

Since the submission of the list of recommendations concerning Short Street (which was duplicated 26 times) a further two streets bearing this name have been located - one at Deagon, and another at Dunellan. It is therefore recommended that the former be named "Yaldwyn" Street (after a Member of the first Queensland Parliament), and the latter "Birch" Street (after the British Ambassador to Nicaragua).

Your Committee has carefully perused the list of new street names suggested above, and now submits such names for adoption by the Council.

RECOMMENDATION: That the re-naming of the above streets be approved.

12. PROPOSED ERECTION OF STREET NAME PLATES.

Repeated hereunder are your Committee's report and recommendation dealing with the above matter, which were submitted to the Council on 25th October, 1938, and withdrawn for reconsideration:-

"10. PROPOSED ERECTION OF STREET NAME PLATES.

Further consideration has been given by your Committee to the question of erecting street name and postal district number plates throughout the city area.

As it is proposed to affix the postal district number to all street name plates, of which approximately 15,000 are at present in position, it is felt that such district numbers should be cast on separate plates of suitable size and fixed underneath the street name plates.

This will provide for uniformity throughout the whole of the city area, and will be carried out at a lesser cost to the Council.

9. RECTIFICATION OF DUPLICATE STREET NAMES.

The Town Clerk, and the General Manager, Works, Water Supply and Sewerage Department, submitted a report covering a list of new names recommended for the undermentioned streets, in which duplication had taken place to a considerable extent, namely:

Rose Street	(13 times)
Fourth Avenue	(13 times)
May Street	(12 times)
Maud Street	(12 times)
Alfred Street	(12 times)
Wilson Street	(11 times)
Ann Street	(11 times)
Charles Street	(11 times)
Bell Street	(11 times)
Main Street	(11 times)
Water Street	(10 times)

The names proposed were in strict conformity with the formula already followed in connection with assigning new names to the streets in the City.

An explanation of the derivation of each name was shown in the schedules.
