PATRICK (PADDY) PIGOTT JOCKEY	Portion	Section	Grave Number
	7A	50	16

Paddy won the Melbourne Cup in 1874 on Haricot at the age of 21 for Andrew Chirnside and was already much sought after as a competent jockey. He followed up this success with another cup in 1877 on Chester for the Honourable James White. In fact he won the Derby, Cup and the Produce Stakes that year for the owner. He received a cheque for £5000 for his efforts from the owner. The land boom was on and he invested in land and turned it into £6500 and before long £50000 but the bottom fell out of the land market and he lost the lot. By the end of the 1800s he was riding track work for £1 per week. Soon after he came to Brisbane and continued his career as a jockey. He passed on at the age of 79 years and was buried here 16th July 1932. He married Catherine Fraser in 1875 but I cannot find any trace of her whereabouts.
